

OUR EXPERT
TEAM DISSEMINATES
YOUR RESEARCH
VIA VARIOUS
CHANNELS.

PRIMARY CARE COLLABORATIVE CANCER CLINICAL TRIALS GROUP (PC4)

BECOME A MEMBER

PC4 membership is free and open to researchers, health professionals and members of the public with an interest in cancer research in primary care.

We use different channels to disseminate your research and promote your work.

WHY BECOME A MEMBER?

- Collaborate and network with Australia's leading researchers in cancer in primary care
- PC4 is an information hub for cancer in primary care publications, news and events
- Access to PC4 resources for skills development
- Promotion and dissemination of research through multiple channels
- Online database of relevant scholarly articles for cancer in primary care
- PC4 holds workshops to facilitate funding applications and research concepts.
